To: Applicants for the post of Ruthin Charity Shop Manager

Thank you for your interest in this post. Successful applicants will be joining Greyhound Rescue Wales at a very exciting time in its development. The Registered Charity No:1059733 began its work 20 years ago and became a Company Limited by Guarantee following the receipt of a significant legacy. A working group of volunteers spent a significant amount of time in consultation as to how the legacy should be spent and their recommendations are to open a Sanctuary and to finance that through a chain of Charity shops.

We have purchased a property to act as a sanctuary and assessment centre for greyhounds and lurchers near Ammanford in South Wales. Like all charities we need regular income in order to sustain our work and to keep the sanctuary going, we need the retail outlets to provide income on a monthly basis. These shops have proved to be a lucrative venture and it will be up to the successful applicant to continue and revitalise the work in our shop in Ruthin, which has been run by volunteers for a considerable time. It now needs a new impetus to drive it forwards, hence this post has been created.

There is plenty of scope to make the job what you want of it, Trustees have very few pre-conceived ideas about how it should be done or what it could look like in the future!

If you are up for this challenge then please apply as we would be very pleased to meet you and flesh out some of your ideas on how you might set about this task!

I look forwards very much to receiving your application.

Yours sincerely

Lindsay Jackson
